

# FIRST ANNUAL MATH NIGHT

WHAT IS MATH NIGHT?

**A NIGHT TO SHOW HOW MATH CAN BE FUN!!**

WHO IS IT FOR YOU ASK?

**EVERYONE**

WHEN?

**JANUARY 26, 2010 6:30pm**

WHERE?

**CHLOE CLARK COMMUNITY ROOM  
AND "ASK A TEACHER" IN LIBRARY**

\*\*There will be things for kids who loathe math, kids who love math and kids in between. There will be things for parents, whether math is your thing or you have to reluctantly admit you've forgotten what to do with a remainder when you divide. This is a chance to learn more about helping your child with math, to learn ways to give your child some math challenges and to learn ways to reinforce what your child is learning at school. There will even be an "Ask a Teacher" opportunity for parents to ask more specific questions.\*\*

Questions Please Contact the CHLOE CLARK PTA
